5 REASONS WHY YOU SHOULD VOTE!

VOTING IS POWER

Do you want to make a positive impact? Voting gives you that chance! Voting lets you stand up for the issues you care about like public transportation, raising minimum wage, or funding local schools.

YOUR VOTE = YOUR VOICE

Elections are decided by the people who go out and vote. If you don't vote, someone else will make the decision for you.

IT'S YOUR MONEY

You pay taxes, but do you know how that money is being used? Most people don't. Voting is your chance to choose how your tax dollars are spent.

VOTE FOR YOUR HEALTH

Your vote can affect your health and your access to healthcare. People who vote usually have better access to healthcare and live in safer neighborhoods than those who do not vote.

YOUR VOTE MATTERS

In many cities, less than 20% of voters vote for the mayor. Not only does this mean that power is in the hands of a small group of voters, but also that important local issues are decided by a minority of the population, which makes a single vote even more powerful.
